

Off- Site Program Reservation

Two different options to bring the zoo to you!

In accordance to COVID guidelines, touch portions are not guaranteed during these programs.

All programs have a focus on reptiles and invertebrates. Please note that the health and well being of the animals is our top priority. There may be certain animal limitations depending on the presentation and the needs of the animals. Check off which option works best for your event or call us to help you decide!

Animal Presentation

Mobile Zoo

This program will last approximately 40 minutes and will include live reptiles. Learn about the animals and have your questions answered by one of our expert keepers. Auditoriums work best for larger groups but animal presentations can be tailored to most venues!

The mobile zoo brings out 5 mini exhibits, artifacts, and 1-2 animal ambassadors for an upclose presentation you are sure to remember! Great for events where a "walk-by" view is better suited rather than a formal presentation. All this, plus a keeper to answer all of your questions.

40 minute program - \$450

(Additional programs \$400 with a maximum of 5 consecutive presentations)

2 hour Set-up - \$975 | Each additional hour- \$475
(Max capacity is 100 individuals/hour, 5 hour max)

Make it a wild time! \$150-Upgrade to have a mammal at your event! We have several mammals that are currently in training for off-site events. We will do our best to accommodate first choice animals. Please choose your first and second choice mammals from Kinkajou, Skunk, Armadillo, Hedgehog
